DESCRIPTION

Skipsfield House was designed by the current owner together with a local architect and completed in 2007. Bedrooms are spread over each of the levels with the master bedroom on upper ground floor with en suite, dressing room and further Hobby/Office space beyond, ideal for those looking to work from home or needing that dedicated space. Externally the field acreage to the rear offers great flexibility and lends perfectly to those seeking a lifestyle interest, if that be equestrian, livestock, 'grow your own' or subject to consent those that may look to a more tourist appeal.
